

Take-home Activity Sheet – Guidelines Rating Page

Dear Parent/Guardian,

To participate in Safer Internet Day, we'd like you to decide with your child how you would rate the following 15 guidelines in order of importance (1=most important; 15=least important).

If you have internet access at home, visit ww.webwise.ie for other internet safety advice, information and tools.

Thank you for your interest and co-operation, and remember, there are no right or wrong answers!

Please rate the following from 1 to 15 →	
I will never disclose any personal details to someone in a chat room.	
I will tell an adult if I find something online which upsets me.	
I will always treat others on the Internet, as I would like to be treated.	
I will not insult or offend someone online even as a joke – they may not take it that way.	
I will always have fun in cyberspace and remember that the virtual world is not the real world.	
I will share with others my online experiences.	
I will always verify material I come across on the Internet.	
I will ask permission from parents/guardians before I purchase anything online.	
I will take regular breaks if I am on the Internet.	
I will not ask others to disclose personal information.	
I will not bother with adult material – that's for the oldies.	
Copying from the Net may be illegal – We always ask permission from the web author to use material from Net.	
We never copy huge chunks of material from the Net for home work – that's cheating.	
I always bookmark our favourite sites – that way we can find them again really quickly.	
If someone sent me something be email that I don't like I never forward it on – if I did that would be spamming.
