

PDST Digital Technologies Supports for Schools

DLplanning.ie

Helping schools to embed digital technologies into teaching and learning. Its step-by-step guide aims to provide clarity in how technology can best meet the needs of all learners. Available at: www.dlplanning.ie

TeacherCPD.ie

TeacherCPD.ie hosts free online courses for teachers – from PDST Technology in Education – on using digital technologies for teaching, learning and assessment. Find courses on *Teaching Online*, on providing *Assessment Feedback* and many more.

Blended Learning Toolkit

This interactive toolkit explores blended learning from the planning to practice stages and offers advice to teachers and school leaders in this regard. You can access these resources, along with our blended learning webinars, at www.pdst.ie/blendedlearning

scoilnet

- 21,000+ teacher-reviewed digital resources tagged to the curriculum.
- Facility for teachers to upload and share their resources.
- Access to online encyclopaedias, newspaper archives, OSi Maps, historical biographies that can be used in the classroom.

Available at: www.scoilnet.ie

webwise.ie

- FREE online safety resources for schools
 - Distance learning advice for schools
 - Online safety advice and resources for parents
 - Youth Training Programmes
- Available at: www.webwise.ie

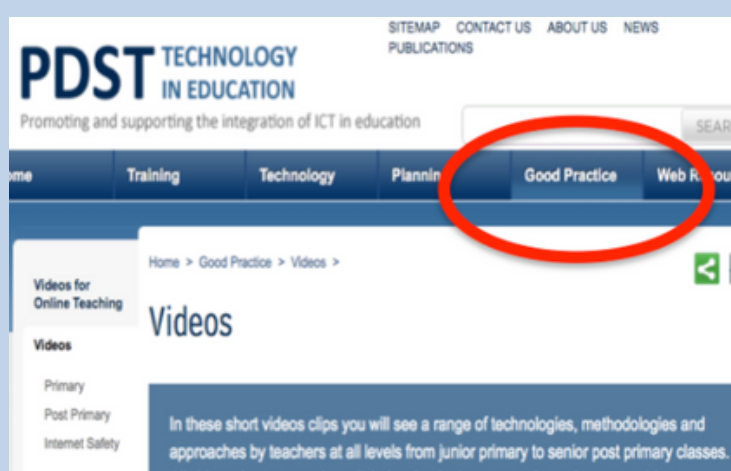

Distance Learning Webpage

This webpage is an online repository of interactive resources to support teachers when engaging in distance learning with their pupils/students at home. Access this webpage at: www.pdst.ie/distancelearning

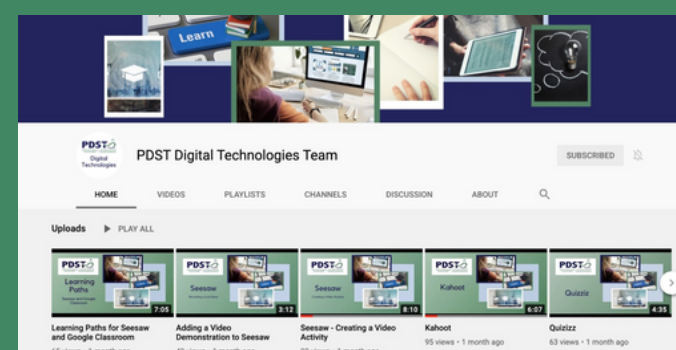

Good Practice Videos

Our good practice videos show teachers' and school leaders' experiences of embedding digital technologies in teaching, learning and assessment in Irish classrooms and schools. Access them at www.pdst.ie under Good Practice.

YouTube Channel

Our Youtube channel contains a variety of short instructional videos exploring how digital tools can be used to support teaching, learning and assessment. Search for 'PDST Digital Technologies Team' on Youtube to access the channel, or click [here](#)

Technology/ ICT Infrastructure

If you need advice or support on school networking/wifi, suitable devices or other technologies, please contact us at ictadvice@pdst.ie. For school broadband queries contact broadbandservicedesk@pdst.ie or call 1800 33 44 66

School Support

The PDST offer school support in digital technologies for teaching, learning and assessment. Please visit www.pdst.ie/schoolsupport to apply.
